

Riverside

SHORT FILM FESTIVAL

Please consider becoming a partner with the Riverside Short Film Festival. With your help, we can bring important films to our community and have another successful event. The Committee is excited to share with you that we are well on our way to planning the 2nd Annual Riverside Short Film Festival on March 31, April 1 & 2 2017.

The goal of the festival is to amplify our collective and individual awareness by bringing the world to New Haven, MO. The festival is a multi-day event that is entertaining and provides audiences with the opportunity to immerse in the important topics and stories that affect us right here in Franklin County. Last year we had over 500 submitted films from around the globe. We screened 50 of them and hosted the *Ratts & People Orchestra* as they live-score a Buster Keaton silent film at the historic Walt Theatre. Planning is well under way for this year where we are hoping to add a Friday Night screening and panel discussions of area artists. We will once again be hosting in Downtown New Haven and using the Walt Theatre. Audiences have reported that the historical nature and “old-Hollywood” atmosphere add to the event.

The Festival committee has already received over 900 films and are excited to be bringing more to this event every year. We hope you will become a partner and help us continue this event. We are the **only** short film festival in the state of Missouri and only one of five in the entire United States. The Committee is proud to be part of this select group and we hope that you are too. Thank you for considering this request for sponsorship. Please find attached more in-depth information about the different levels available. All levels are appreciated, as without you, we could not do what we do. If you have any questions, please don't hesitate to contact me at tara@pinckneybend.com

Sincerely,

Tara Steffens, Director, The Riverside Short Film Festival
